CONGRATULATORY MESSAGE TO PRESIDENT EMMERSON MNANGAGWA

The ZANU PF YOUTH LEAGUE would like to congratulate our Number 1 Candidate, Party President and Presidential Candidate, Dr Emmerson Dambudzo Mnangagwa for an emphatic win in the 23 August Harmonised Elections. We celebrate this win knowing fully well that it echoes the aspirations of the masses and is a true reflection of the will of the People of Zimbabwe.

Cde President, your election is an affirmation of the great works you have done in the past 5 years. Your work ethic was clear for all to see. It was on the basis of these great works that ZANU PF engaged in an community relevant and compelling campaign trail where we presented ourselves as the best choice. We thank you Zimbabwe for choosing ZANU PF.

It was a choice between developmental leadership and destructive leadership. The people chose development.

It was a choice between a people led development and a foreign conceived domination. The people chose to be builders of their own nation.

The people chose a party and leader whose main agenda was to continue with the National Development Agenda. It is on this basis and trusting your commitment to the growth and development of our country that we know greater things are yet to come and still to be done.

It was the first time Zimbabwe held its general elections in the month of August. The month of August is of significant historical and existential importance to our country as we commemorate in it, the thousands of heroes and heroines who sacrificed their lives for the independence of this great country. Holding an election on such a month, provided an opportunity for us as Zimbabweans to actively thank our founding fathers by overwhelmingly voting for the party they died to set a foundation for. On 23 August, millions of Zimbabweans honored that sacrifice.

As your Youth League we continue to heed your call to remain peaceful and maintain the tranquil environment that existed during the election process.

As we conclude, we want to reiterate our congratulations to H.E Dr Emmerson Mnangagwa for leading a Team of MPs and Councillors who won emphatically giving us over 60% of Parliamentary Seats.

Going forward, wish to assure you on our commitment to support you as a League to continue on with the great work you began.

Nyika inovakwa nevene vayo. Ilizwe lakhiwa ngabanikazi balo

We are ready your Excellency!

For and on behalf of the ZANU PF Youth League
Hon Tino Machakaire (P.B)
